

## UBCO Building Energy Performance

The building energy performance data for UBC Okanagan buildings are updated periodically in the EPA's ENERGY STAR Portfolio Manager and can be accessed using a shared read-only access account. The website and credentials for the account are as follows:

**Website:** <https://portfoliomanager.energystar.gov/pm/home>

**Username:** UBCO\_commonuser

**Password:** EnergyPM123\$

This access allows researchers, consultants, contractors to access energy consumption and related information for UBCO buildings.
